# Adding a multitimeview report to a dashboard

02/01/2024 8:44 am EST

On the lower right corner of the *Timeview Results* tab, there's a link labeled *Add to Dashboard* (purple arrow).

#### Clicking on that link will bring up this modal:

WHICH DASHBOARD WOULD YOU LIK dashlet can be added to any dashboards that y ar in the bottom left column of the dashboard t anged through drag and drop.	you can edit. Added dashlets will a	,
ct a dashboard		~
ct a dashboard 08.2020- Autopay		~

Select the desired dashboard from the dropdown list, then click *Submit*. You may also create a new dashboard and add the report to it.

After you hit *Submit*, you will see a green notification bar informing you that the multitimeview dashlet has been added to the dashboard.

Once the multi-timeview dashlet is added to a dashboard, you will need to reapply the dates and time grains using the edit options for the dashlet. Here's a video that shows you how to do that.

Your browser does not support HTML5 video.

### 1. Go to insightstore.civicscience.com.

#### 2. Click the kebab menu.

#### 3. Click Settings.

4. Click Dashlet Name.
